

Lake Nipigon Forest Management Inc.

2024-2025 Cone Collection

Lake Nipigon Forest Management Inc. (LNFMI) is looking to buy cones to support its forest renewal programs. Cone collecting is open to everyone until LNFMI's seed storage is replenished. For the 2024-25 season, cones will be purchased at the following rates.

Rate per hL (100L):

Jack Pine	\$220/hL
Black Spruce	\$350/hL
White Spruce (seasonal)	\$425/hL
Red Pine (seasonal)	\$550/hL

If interested in cone collecting, please contact Brandon at Brandon.Figliomeni@NewLeafForestry.ca or (807) 630-4778. Payment is contingent on acceptable quality. **Please note:** personal transportation is required.

Quality:

- Stems attached to cones must be less than 1"
- Cones must be unopened
- Colour must be light brown and not grey
- No needles or branches

Acceptable:

Unacceptable:

Please restrict to only one species per tote. Once this form is filled out, place in bin with cones.
