

Tree Planter Position

Four Nations Forestry is an Indigenous owned business that provides forestry related services on the Lake Nipigon Forest and surrounding areas. Our goal is to assist in the sustainable management of natural resources and provide job opportunities in the forestry sector.

Four Nations Forestry is currently recruiting for:

- *Tree Planters*

The job would consist of planting quality trees on the Lake Nipigon Forest for the duration of the 2024 planting season.

Applicants may either stay in the block with their own gear/transportation and will be responsible for cooking their own meals throughout the duration of the contract or daily transportation can be arranged from Nipigon, Red Rock IB, Rocky Bay, Sand Point, Beardmore, Jelicoe or Partridge Lake between 6-7am each day. Work Schedule is Monday to Friday.

These positions offer competitive wages, room for growth and a collaborative/exciting workplace. The rate will begin at **17 cents per tree** and an additional 3 cents per tree after a daily target of 2000 is achieved.

Tentative contract dates will be **May 5th 2025 to July 1st 2025** but will vary based on weather conditions and production targets met.

If you are interested in these positions, please send resumes to info@Infmi.ca by April 4th, 2025.

All applications will be kept in strict confidence.

We thank all candidates for their interest, only those selected for an interview will be contacted.
