SUBJECT: 2025-2026 APPROVED ANNUAL WORK SCHEDULES: KENOGAMI and LAKE NIPIGON FORESTS

Dear Chief Gladu:

The Nipigon Geraldton District of the Ministry of Natural Resources (MNR) has made the final 2025-2026 Annual Work Schedules (AWS) for the Kenogami and Lake Nipigon available for inspection. The AWS describes the forest management activities scheduled to take place between April 1, 2025, and March 31, 2026, including road construction and maintenance, timber harvesting, site preparation, and water crossing installation/removals.

In addition, the AWS and any subsequent revisions will be available for public inspection on the Natural Resources Information Portal at <https://nrip.mnr.gov.on.ca/s/fmp-online> or in person by appointment at one of the following locations beginning **March 15, 2025**, and for the one-year duration of the AWS. AWS summary maps have been included for your convenience. If you require more information on the AWS or wish to discuss your interests and concerns further, please contact:
